Judicial Clerks

More than a quarter of Rogers & Hardin's attorneys are former judicial law clerks. We consider a clerkship a very positive attribute when evaluating candidates for litigation positions. Rogers & Hardin encourages its summer associates who are interested in clerkships to pursue those opportunities. The breadth of the matters on which a judicial law clerk works and the understanding of the litigation process that results from a clerkship provide an excellent foundation for a successful career as a litigator. Go to [How to Apply](#) for more information on applying directly to the firm.
