Lateral Attorneys

The firm is always interested in meeting well-rounded, academically outstanding, experienced lateral attorneys who can bring to Rogers & Hardin a high level of expertise in their areas of law, and who will share our philosophy of offering outstanding service to clients. Go to [How to Apply](#) for more information on applying directly to the firm.

“Rogers & Hardin offers a unique opportunity for lateral candidates. Many of our current partners and associates were trained and practiced at top law firms throughout the country before joining R&H. These lateral hires find Rogers & Hardin is the place to put that training into full practice by receiving significant responsibility and opportunities on major legal matters in a mid-sized Atlanta-based firm.”
