National Capabilities and Expertise

- Led by corporate partners who are regularly recognized in *Chambers USA*, *The Best Lawyers in America*, *Georgia Super Lawyers* and other leading professional authorities, Rogers & Hardin has accumulated substantial experience as corporate counsel for a wide variety of clients throughout the nation and beyond.
- Clients work closely with our corporate and other transactional attorneys regarding all aspects of their businesses, including the structuring of transactions, contract negotiation and review, regulatory compliance and the creation and implementation of policies and procedures.

SUBSTANTIVE KNOWLEDGE AND STRENGTH

From the firm's inception, our corporate lawyers have enjoyed a special reputation for their ability to advise and represent clients in connection with complex business transactions, as well as day-to-day concerns and other strategic business matters. Our corporate lawyers utilize the resources of our tax, intellectual property, litigation and labor and employment practices to deliver customized legal solutions for each corporate client. Together, our attorneys seek to provide clients a direct approach to achieving their business goals, working side-by-side with management and boards of directors to understand our clients' businesses and industries and to identify their needs.

Our corporate group has an extensive client base, ranging from large, publicly-owned corporations to small, closely-held and start-up companies. Regardless of their size, our clients turn to us for dedicated, efficient representation and our broad expertise with respect to business and transactional matters.

A BROAD SPECTRUM OF EXPERIENCE

While large transactions and corporate mergers often generate the most attention, we provide advice to our corporate clients with respect to a multitude of legal matters. Our corporate group consists of a group of highly talented attorneys who have experience with virtually every aspect of corporate transactions, allowing us to effectively handle the numerous issues that can arise during the course of completing a single corporate transaction or matter. We advise clients with respect to many corporate transactional and other matters, including formation and capitalization of

start-up companies, initial public offerings, private placements, private equity, mergers and acquisitions, strategic alliances and joint ventures, corporate finance, banking, bankruptcy, state and federal securities law compliance, directorial duties, corporate governance and partnership matters.
