NATURAL GAS

National Capabilities and Recognition

- Our clients include the largest natural gas marketer in Georgia.
- We represent clients in state and federal court and before state regulatory bodies.
- We provide general advice on all aspects of our clients’ businesses, including reviewing contracts, ensuring regulatory compliance, and providing intellectual property advice.
- Our attorneys have years of experience in an ever-changing regulatory environment.

DEEP EXPERIENCE AND KNOWLEDGE OF REGULATORY FRAMEWORK

Our attorneys have substantial experience in a wide range of natural gas regulation. We regularly appear before the Georgia Public Service Commission in regulatory and rate making proceedings. Our experience and knowledge in this area of the law and our intimate familiarity with our clients’ businesses are powerful tools to ensure compliance with laws and regulations governing natural gas.

LITIGATION EXPERIENCE

Rogers & Hardin attorneys also have considerable litigation experience, which we apply to the complex issues attendant to the natural gas industry. We represent businesses in a broad range of litigation, from product liability actions to consumer class actions. Our professionals are well-equipped to handle any potential dispute efficiently and directly, always with the client’s ultimate goal in mind.

TRANSACTIONAL EXPERIENCE

At Rogers & Hardin, we apply our broad experience in handling transactional and intellectual property issues to the natural gas industry. As counsel to Georgia’s largest natural gas marketer, we have intimate knowledge of the regulatory framework governing the natural gas industry, which allows us to take a direct approach to issues unique to the natural gas industry. Our attorneys regularly negotiate and prepare contracts. We also handle intellectual property issues, including advertising and marketing issues.
